

STERILE COMPOUNDING ATTESTATION

Pharmacy Name: _____

Re: License for Sterile Compounding

Pursuant to Article 7.5, Section 4127.1 of the California Code of Regulations, a pharmacy shall not compound injectable sterile drug products in the state of California unless the pharmacy has obtained a license from the California Board of Pharmacy or is accredited by a recognized Accrediting Agency.

If you do not compound injectable sterile drug products, and don't require this license, please check the box below, sign, and return to KHS.

If you **do** compound injectable sterile drug products, please provide us with a copy of your current license and/or Accreditation Certificate.

I do not compound injectable sterile drug products.
