Dear KHS Provider,

Effective immediately, Kern Health Systems will no longer authorize the following services for Kern Family Health Care Members:

- 94761 Ear or Pulse oximetry multiple
- 94762 Ear or Pulse oximetry continuous

These are non-covered benefits under the Medi-Cal Program. These services may have been authorized in the past, but will not be authorized in the future. If you have any questions, you may contact the Kern Health Systems Provider Relations Department at (661) 664-5146.
