

Fluoride Varnish Survey – April 20, 2017

Please complete this brief survey. Your responses are needed to help Kern Health Systems (KHS) determine the needs of our members in obtaining topical fluoride varnish.

Please mark “Yes” or “No” for the following questions:

Questions	Yes	No
1. Are you aware that topical fluoride varnish is a Medi-Cal benefit for children under 6 years of age?		
2. Does your office provide topical fluoride varnish to patients? *If no, please explain below (#6).		
3. Does your office need training on how to provide a topical fluoride varnish?		
4. Does your office know where to order topical fluoride varnish supplies?		
5. Does your office know how to bill KHS for a topical fluoride varnish?		

6. If you answered no to Question #2, please explain why your office does not provide topical fluoride varnish to patients.

7. How can KHS assist you in providing topical fluoride varnish to your patients?

Provider/Clinic Name _____ **Date** _____

Name of person who completed survey _____

This survey should only take a couple minutes. Please submit this survey by April 30, 2017.
