### POLICY:

In compliance with APL 17-020, Kern Health Systems will make the necessary payments to American Indian Health Programs so that they receive the applicable OMB encounter rate published in the Federal Register by the Indian Health Service for the eligible services provided on or after January 1, 2018, for which, KHS holds responsibility for payment.

### DEFINITIONS:

**Eligible Services:** The service types that apply to this reimbursement requirement are medical visits, ambulatory visits, and mental health visits; and must be a covered benefit under KHS Contract with DHCS. Note that Non-Medical Transportation, Non-Emergency Medical Transportation and Pharmacy are covered outside the OMB encounter rate.

**Medical Health Visit/Encounter:**

A medical visit is a face-to-face encounter occurring at a clinic or center between an American Indian Health Program recipient and physician, physician assistant, nurse practitioner, nurse midwife or visiting nurse.

**Mental Health Visit/Encounter:**

A mental visit is a face-to-face encounter between an American Indian Health Program recipient and psychiatrist, clinical psychologist, clinical social worker, or other health professional for therapeutic mental health services.

**Ambulatory Visit/Encounter:**

An ambulatory visit is a face-to-face encounter between an American Indian Health Program recipient and a health care professional other than a physician or mid-level practitioner.

**American Indian Health Program Provider:**

The American Indian Health Program Provider must be identified by the DHCS.

**PROCEDURES:**

Where the OMB encounter rate applies, KHS will pay eligible services as follows:

1. For Medi-Cal beneficiaries with full Medicare coverage or Medicare Part B only, the required payment is the difference between the “Outpatient Per Visit Rate (Excluding Medicare)” listed in the Federal Register and 80 percent of the (PPS) rate, as set forth in 42 USC 1395s-4(e)(6)(A)(ii).
2. For Medi-Cal beneficiaries that do not have Medicare coverage or have Medicare Part A only, the required payment is the “Outpatient Per Visit Rate (Excluding Medicare)”.
3. KHS will process claims which meet the criteria for reimbursement under the OMB encounter rate structure at the most current applicable rate for the services rendered.
  - a. All Kern County Tribal Health Programs will be entered into the QNXT system with the appropriate contracted rate.
  - b. On a monthly basis, a report will be run for all providers on Attachment B to adjust any claims outside of Kern County as necessary.
4. Since these rates are published retroactively, KHS will review and reconcile previous payments within 45 working days of the publication of the retroactive rate.
  - a. Rates will be monitored on a quarterly basis for changes and logged on Attachment A.
  - b. Retroactive adjusts will be made as needed in the system and a sweep of claims processed for update.
5. Only one encounter rate payment per day, per category will be allowed.
6. KHS will monitor its delegated entities for compliance with these requirements through a Policy and Procedure review as well as during the Annual Claims and Network Audits.
