POLICY:

Kern Health Systems (KHS) shall establish and maintain a fast, fair, and cost-effective dispute resolution mechanism to process and resolve provider disputes (disputes). Contracting and non-contracting¹ providers shall have the opportunity to dispute pharmacy claims that have been denied or modified.

Only those disputes regarding pharmacy claims payment are subject to this policy and procedure. This includes non-contracted provider disputes regarding the appropriateness of KHS' computation of the reasonable and customary value².

Disputes submitted on behalf of an enrollee or a group of enrollees will be processed according to

*KHS Policy and Procedure #5.01 – Grievance Process.*³ Disputes regarding authorizations will be processed according to *KHS Policy and Procedure #3.23 – Provider Disputes Regarding Authorization*. Disputes regarding non-pharmacy claims payment will be processed according to *KHS Policy and Procedure #6.04 – Practitioner/Provider Disputes Regarding Claims Payment*. Disputes regarding all other issues will be processed according to *KHS Policy and Procedure #4.03 – Practitioner/Provider Disputes Regarding Issues Other than Authorization and Claims Payment*.

Disputes will be processed in accordance with the statutory, regulatory, and contractual requirements outlined in the following sources:

- Health and Safety Code §§ 1367(h), 1371, and 1371.1
- CCR Title 28 §§1300.71, and 1300.71.38

-----------------------------	---

PROCEDURES:

1.0 DISPUTES SUBMITTED TO THE PHARMACY BENEFITS MANAGER

The KHS contract Pharmacy Benefits Manager (PBM) has a dispute process through which providers may resolve pharmacy claims disputes. Providers are encouraged, but not required, to first utilize the PBM dispute process before submitting a dispute to KHS.

All remaining sections of this procedure relate to the KHS dispute process.

2.0 SUBMISSION OF DISPUTE⁵

Disputes should be mailed/faxed to the following addresses:

Pharmacy Department⁶
 Kern Family Health Care
 9700 Stockdale Highway
 Bakersfield, CA 93311
 661-664-5191

Disputes may be physically delivered to 9700 Stockdale Highway, Bakersfield, California.⁷

Substantially similar multiple claims disputes may be filed in batches as a single dispute, provided that disputes are submitted in the following format⁸:

- A. Batched by similar issue
- B. One *Provider Pharmacy Claims Dispute Resolution Request* form completed for each

batch

2.1 Deadlines

Disputes must be submitted to KHS within 365 calendar days of the date of KHS' action, or in case of inaction, 365 calendar days after the time for contesting/denying claims has expired.⁹

Disputes that are returned for additional information must be resubmitted to KHS within 30 days of the date of receipt.

2.2 Format

Disputes must be submitted using a *Provider Pharmacy Claims Dispute Resolution Request* form. (See Attachment A). Simple resubmission of the claim is not sufficient to qualify as a dispute. Claims resubmitted without the appropriate form will be denied as a duplicate claim.

2.3 Content

Disputes must contain the following information¹⁰:

- A. Provider name
- B. Provider tax identification number
/provider contact information
- C. Clear identification of the disputed item
- D. Date of service
- E. Clear explanation of the basis upon which the provider believes the payment amount, request for additional information, request for reimbursement for the overpayment of a claim, contest, denial, adjustment, or other action is incorrect
- F. Provider dispute number. This number is the same number assigned to the original claim.¹¹

Disputes that do not contain all the necessary information are returned to the provider.

2.4 Supporting Documentation

Supporting documentation must accompany all disputes. It is not necessary to resubmit supporting documentation that was submitted with the original claim.¹²

3.0 ACKNOWLEDGEMENT¹³

To acknowledge receipt of a provider dispute, the *Provider Pharmacy Claims Dispute Resolution Request* form is signed upon receipt by KHS Pharmacy staff and a copy is submitted to the provider within 15 working days of the date of receipt.

4.0 PROCESSING

4.1 First Level Dispute

Providers should use the original claim number to identify the dispute.¹⁴

4.1.1 Administrative Dispute

Upon receipt of an administrative dispute, the KHS Pharmacy Department reviews the facts surrounding the claim and, within 45 working days¹⁵ of the

uate of receipt, issues any necessary claim adjustment (including appropriate interest due) and a written determination either granting the dispute in whole or in part or denying the dispute.

The written determination states the pertinent facts and explains the reasons for the determination.¹⁶

Non-contracting Medi-Cal providers have the right to a second-level dispute with the Department of Health Care Services. All other providers have the right to a second-level dispute with the Chief Executive Officer within 10 calendar days of the date of the decision.

4.1.2 Clinical Necessity Dispute

Upon receipt of a clinical necessity dispute, the Chief Medical Officer independently reviews the facts surrounding the claim and forwards his/her decision to the Pharmacy Department. The clinical necessity review and any required notice is performed as if the provider submitted a request for authorization in accordance with the guidelines outlined in *KHS Policy and Procedure #13.01 – Non-Formulary Treatment Requests*. Within 45 working days of the date of receipt, the Pharmacy Department issues any necessary claim adjustment (including appropriate interest due) and a written decision either granting the dispute in whole or in part or denying the dispute.

Non-contracting Medi-Cal providers have the right to a second-level appeal with the Department of Health Care Services. All other providers have the right to a second-level dispute with the Chief Executive Officer within 10 calendar days of the date of the decision.

4.2 Second-Level Dispute

With the exception of the deadline, second level disputes must be submitted and are acknowledged in the same manner as first level disputes. Providers should use the original claim number to identify the dispute.

Non-contracted Medi-Cal providers do not have the right to a second dispute with KHS. For informational purposes only, all second-level disputes from such providers are forwarded to the CEO.

Upon receipt of a second-level dispute from a qualifying provider, the CEO independently reviews the facts surrounding the claim and, within 45 working days of receipt, issues both any necessary claim adjustment (including appropriate interest due) and a written determination either granting the dispute in whole or in part or denying the dispute. The written determination states the pertinent facts and explains the reasons for the determination.¹⁷

The decision by the Chief Executive Officer is final.
